### USAGE INSTRUCTIONS

**Utilization of the entire seating surface.** The surface of the anatomical seat must be fully occupied. Only in this way is the correct contact with the backrest guaranteed, and thus adequate support.

### MAINTENANCE AND CLEANING

**Metal Parts:** For cleaning, use specific products for polishing metals, in order to slow down the natural oxidation due to contact.

**Upholstery and Padding:** Any stains on the fabric upholstery can be removed either **with mild neutral detergents or with specific products indicated by the manufacturer as sanitizing and water-repellent**, for better preservation of the good condition of the upholstery. The padding, if it presents structural issues requiring maintenance, must be handled exclusively by specialized personnel.

### SERVICE

Service operations must be carried out exclusively by specially trained and qualified personnel, and requests should be forwarded directly to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

### WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or defects in materials not attributable to improper use of the product. Excluded from the warranty are excessive or improper use of the product, natural wear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres containing salt or acids. Our warranties reflect the manufacturing processes applied to the materials and not their intrinsic qualities.

### PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment, but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production without prior notice.
