

The
PLACE
for
IDEAS

LUXY[®]

Il Posto delle Idee

La filosofia di Luxy nel progettare e realizzare le sue sedute che trova la sua massima espressione nella Limited Edition "SIT DOWN TO HAVE AN IDEA" di Biga, una delle Icône Luxy. Dove le idee nascono e si sviluppano, nel comfort e nella creatività.

Luxy, The Wellseating.

The Place for Ideas

Luxy's philosophy in designing and creating its seating.

This philosophy finds its greatest expression in the limited edition "SIT DOWN TO HAVE AN IDEA" model of one of Luxy's iconic pieces, the Biga chair. Where ideas are born and developed, in comfort and creativity.

Luxy, The Wellseating.

LUXY ICONS

Uno, dieci o cinquant'anni

Ci sono sedute Luxy che non hanno tempo perché hanno segnato il tempo.
A volte imitate, mai raggiunte nell'attenzione al dettaglio,
dall'estetica alla funzionalità.

One, ten, or fifty years

*There are Luxy seats that transcend time because they define the times.
Sometimes imitated, but never matched in attention to detail,
from aesthetics to functionality.*

Il valore dell'Artigianalità oggi

Nata nel 1976 da una raffinata tradizione artigiana tipicamente Veneta, Luxy mantiene ancora oggi l'attenzione maniacale ai bisogni della Persona in tema di sedute. Per questo è facile trovare in ogni Luxy l'ergonomia e la comodità, l'estetica e il design; gli attributi fondamentali che si cercano in una seduta di qualità. La sostenibilità, cui ci siamo votati da tempo, ci ha poi permesso di raggiungere nel 2024 la certificazione FEMB Level 3. Abbiamo così reso ancor più attuale la filosofia originale di Luxy, aggiungendo ai valori storici della qualità, della comodità, della bellezza e della durata anche il valore della sostenibilità e delle certificazioni.

Per questo una seduta Luxy non è solo un elemento d'arredo, ma un'esperienza che rende più piacevole il nostro lavoro, il nostro relax e i nostri tempi di attesa.

Luxy, the Wellseating.

The value of Craftsmanship today

Born in 1976 from a refined artisanal tradition typical of the Veneto region of Italy, Luxy continues to prioritize meticulous attention to the needs of the individual in regards to seating. Each Luxy product seamlessly combines ergonomics and comfort with aesthetics and design — essential qualities sought after in high-quality seating.

Our long-standing commitment to sustainability has led us to achieve FEMB Level 3 certification in 2024. This accomplishment further reinforces Luxy's original philosophy, enhancing our historic values of quality, comfort, beauty, and durability with a strong emphasis on sustainability and certifications.

A Luxy seat is not just a piece of furniture; it is an experience that enhances our work, relaxation, and moments of waiting.
Luxy: the Wellseating.

Il Valore della Sostenibilità

Da anni tutta l'attività di Luxy si ispira a principi etici. Per promuovere i valori della qualità della vita nel rispetto dell'ambiente e dell'essere umano Luxy ha implementato processi, procedure e cicli di produzione in grado di ottenere un numero elevatissimo di certificazioni:

- Certificazione Femb Level 3
- CAM EN ISO 14021: Gestione Ambientale di Prodotto
- ECOVADIS
- UNI ISO 45001: Gestione della Sicurezza
- UNI EN 14001: Gestione dell'Ambiente
- UNI EN ISO 9001: Gestione della Qualità
- UNI ISO 37001: Gestione per la Prevenzione della Corruzione
- SA 8000: Sistemi di Gestione Responsabilità Sociale
- FSC: Salvaguardia Ambientale

The Value of Sustainability

For years, all of Luxy's activities have been inspired by ethical principles. To promote the values of quality of life while respecting the environment and the individual, Luxy has implemented processes, procedures, and production cycles that have achieved numerous certifications:

- Femb Level 3
- CAM EN ISO 14021: Environmental Product Certification
- ECOVADIS
- UNI ISO 45001: Occupational Health and Safety Management System
- UNI EN 14001: Environmental Management System
- UNI EN ISO 9001: Quality Management System
- UNI ISO 37001: Management for the Prevention of Corruption
- SA 8000: Social Responsibility Management System
- FSC: Forest Preservation
