SOFY

DESCRIPTION - elements with backrest

SOFY: Sofy is more than a sofa: it's a space in constant evolution. Thanks to its modular design, it adapts to your needs and transforms alongside your living spaces, with ease and style. Soft, contemporary lines combine with unique functionality to create endless combinations that make every space warm and personal.

Ottoman with removable cover, featuring dual-density polyurethane foam padding, upholstered in fabric, leather or faux leather. Frame made from laminated wood with straps. Anti-slip polypropylene feet.

SEAT: made from fire-retardant polyurethane foam with different densities (40 kg/m³–33 kg/m³) according to the areas of use.

STRUCTURE: made of 18 mm thick pine plywood.

FABRIC: it can be customised in a wide range of colours.

FEET: Anti-slip black polypropylene feet.

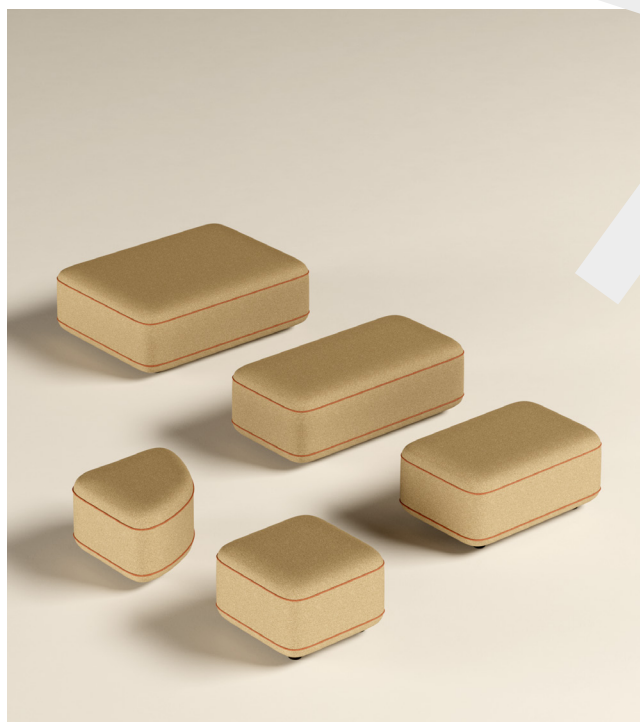

RECOMMENDED USE

Using the entire seat surface. The entire surface of the contoured seat must be occupied. Only in this way can proper contact with the backrest be ensured, thereby providing adequate support.

MAINTENANCE AND CLEANING

Metal parts

Use specific metal polish products to slow down the natural oxidation caused by contact

Upholstery and padding

Any stains on the upholstery fabric can be removed either with mild, neutral detergents or with specific products recommended by the manufacturer, such as sanitising and water-repellent treatments, to help keep the upholstery in good condition.

In the event that the upholstery has structural issues requiring maintenance, it must be handled exclusively by qualified personnel.

ASSISTANCE

Assistance operations must be carried out exclusively by specially trained personnel, and requests must be submitted directly to LUXY as the manufacturer. Maintenance and replacement of components carried out by unauthorised personnel will invalidate the warranty.

WARRANTY

Our products are covered by a 5 (five)-year warranty, which covers manufacturing or material defects not attributable to misuse or improper use of the product.

Excluded from the warranty are excessive or incorrect use of the product, natural wear and tear of materials (fabrics), defects caused by repairs carried out outside the manufacturer's premises, and defects due to wet environments or atmospheres containing salt or acids. Our warranties reflect the workmanship applied to the production materials and not the intrinsic qualities of the materials themselves.

PRODUCT INFORMATION

Materials used are recyclable. At the end of its useful life, do not dispose of the product in the environment; instead, dispose of it in accordance with the type of material. The company reserves the right to make changes to this catalogue and to its products without prior notice
