

SEA SHELL

ARTICOL: SH14

CODE: 4SHPM28

DESCRIPTION

SEA SHELL: It is a collection of soft seating with a pleasant rounded shape that can be perfectly placed in both classic and modern environments. Wide range of options available in armchair, two and three-seater sofa, armchair in three different base variations, and five variants of poufs.

BACKREST: Made of polyurethane foam with varying densities according to usage zones. Also available in fireproof version.

SEAT: Made of polyurethane foam with varying densities according to usage zones. Also available in fireproof version.

FRAME: Made of multilayer fir wood with thickness of 28 and 18 mm.

FABRIC: Customization available with a wide range of colors.

FEET: Conically shaped metal feet with powder-coated epoxy finish in black color. Also available in chrome (CR), White (BI), Gray (CC), Aqua Green (VD), Powder Pink (MT), Ivory (SB) finishes.

USAGE INSTRUCTIONS

Utilization of the entire seating surface. The surface of the anatomical seat must be fully occupied. Only in this way is the correct contact with the backrest guaranteed, thus ensuring adequate support.

MAINTENANCE AND CLEANING

Metal Parts

For cleaning, use specific products for metal polishing, in order to slow down natural oxidation due to contact.

Covering and Padding

Any stains on the covering fabric can be removed either with gentle neutral detergents or with specific products indicated by the manufacturer as sanitizing and water-repellent, for better preservation of the good maintenance condition of the covering itself. The paddings, if they present structural issues requiring maintenance, must be handled exclusively by specialized personnel.

ASSISTANCE

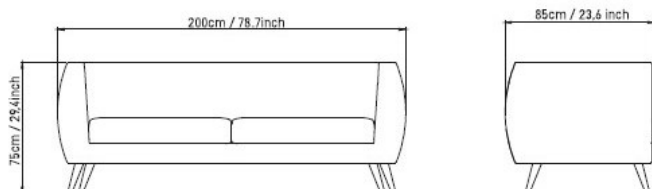

Service operations must be carried out exclusively by specially trained personnel, and requests must be submitted directly to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or materials defects not attributable to misuse of the product or improper use. The warranty does not cover excessive or incorrect use of the product, natural wear and tear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the processes carried out on the production materials and not their intrinsic qualities

PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment, but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production without prior notice.
