USAGE INSTRUCTIONS

Use of the entire seating surface The surface of the anatomical seat must be fully occupied. Only in this way is the correct contact with the backrest guaranteed, and therefore adequate support.

MAINTENANCE AND CLEANING

Metal Parts: For cleaning, use specific products for metal polishing, in order to slow down natural oxidation due to contact.

Upholstery and Padding: Any stains on the fabric upholstery can be removed with neutral mild detergents or with specific products recommended by the manufacturer as sanitizers and water repellents, for better preservation of the upholstery's good condition.

Padding, if presenting structural issues requiring maintenance, must be handled exclusively by specialized personnel.

ASSISTANCE

Service operations must be carried out exclusively by specially trained personnel, and requests should be submitted directly to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or materials not attributable to misuse or improper use of the product.

Exclusions from the warranty include excessive or improper use of the product, natural wear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the manufacturing processes applied to the materials and not their intrinsic qualities.
