### USAGE INSTRUCTIONS

Utilization of the entire seating surface The surface of the anatomical seat must be fully occupied. Only in this way is the correct contact with the backrest guaranteed, ensuring adequate support.

### MAINTENANCE AND CLEANING

#### Metal Parts

For cleaning, use specific products for metal polishing to slow down natural oxidation due to contact.

#### Upholstery and Padding

Any stains on the fabric upholstery can be eliminated either with mild neutral detergents or with specific products indicated by the manufacturer as sanitizing and water-repellent, for better preservation of the good maintenance condition of the upholstery itself. The padding, if it presents structural issues requiring maintenance, should be handled exclusively by specialized personnel.

### ASSISTANCE

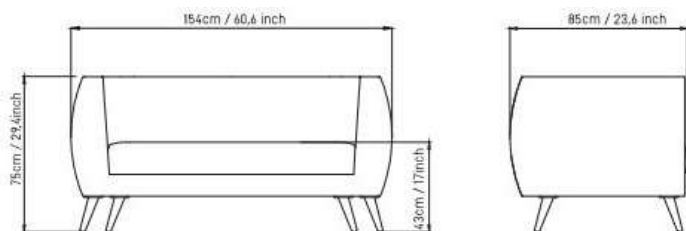

Service operations must be performed exclusively by specially trained personnel, and requests must be submitted directly to LUXY as the manufacturer. Maintenance and component replacements carried out by unauthorized personnel will void the warranty.

### WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or materials not attributable to improper use of the product. Excluded from the warranty are excessive or improper use of the product, natural wear and tear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the processes performed on the production materials and not their intrinsic qualities.

### PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production without prior notice.
