**Utilization of the entire seating surface:** The ergonomic seat's surface must be fully utilized. This ensures correct contact with the backrest, providing adequate support.

### MAINTENANCE AND CLEANING

#### Metal Parts

For cleaning, use specific products for metal polishing to slow down natural oxidation due to contact.

#### Covering and Padding

Any stains on the covering fabric can be removed either with mild neutral detergents or with specific products recommended by the manufacturer as sanitizing and water-repellent, for better preservation of the covering's good condition. The padding, if experiencing structural issues requiring maintenance, should be handled exclusively by specialized personnel.

### ASSISTANCE

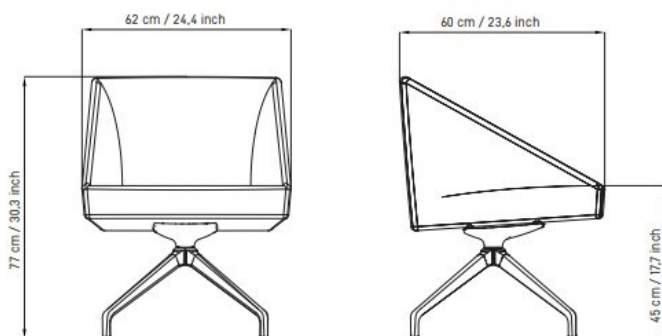

Assistance operations must be carried out exclusively by specially trained personnel, and requests should be forwarded directly to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

### WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or defects in materials not attributable to improper use of the product or improper use. Excluded from the warranty are excessive or incorrect use of the product, natural wear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the workmanship on the production materials and not the intrinsic qualities of the materials themselves.

### PRODUCT INFORMATION

The materials used are recyclable. At the end of its useful life, do not dispose of the product in the environment, but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production without prior notice.
