USAGE INSTRUCTIONS

Use of the entire seating surface: The surface of the ergonomic seat must be fully occupied. Only then is the correct contact with the backrest guaranteed, ensuring adequate support.

MAINTENANCE AND CLEANING

Metal Parts: For cleaning, use specific products for metal polishing to slow down natural oxidation due to contact.

Upholstery and Padding: Any stains on the upholstery fabric can be removed using **mild neutral detergents or specific products recommended by the manufacturer as sanitizers and water repellents**, for better preservation of the upholstery's good condition. Padding: In case of structural issues requiring maintenance, padding must be handled exclusively by specialized personnel.

SERVICE

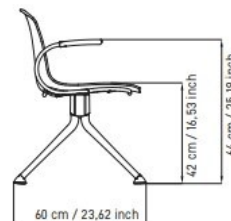

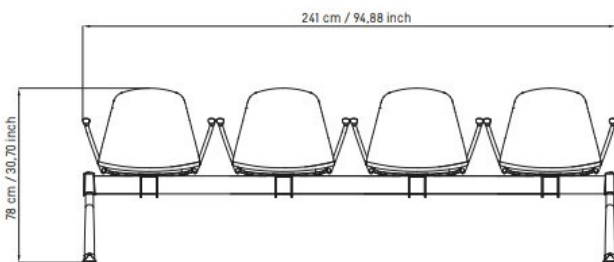

Service operations must be carried out exclusively by specially trained personnel, and requests should be submitted directly to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or defects in materials not attributable to improper use of the product. Excluded from the warranty are excessive or improper use of the product, natural wear and tear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the processes applied to the production materials and not their intrinsic qualities.
