USAGE INSTRUCTIONS

Utilization of the entire seating surface. The surface of the ergonomic seat should be fully occupied. Only in this way is the correct contact with the backrest ensured, thus providing adequate support.

MAINTENANCE AND CLEANING

Metal Parts

For cleaning, use specific products for metal polishing to slow down natural oxidation due to contact.

Upholstery and Padding

Any stains on the fabric upholstery can be removed either with mild neutral detergents or with specific products recommended by the manufacturer as sanitizing and water-repellent, for better preservation of the upholstery's good condition. The padding, if experiencing structural issues requiring maintenance, should be handled exclusively by specialized personnel.

ASSISTANCE

Service operations must be carried out exclusively by specially trained personnel, and requests should be directly forwarded to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will invalidate the warranty.

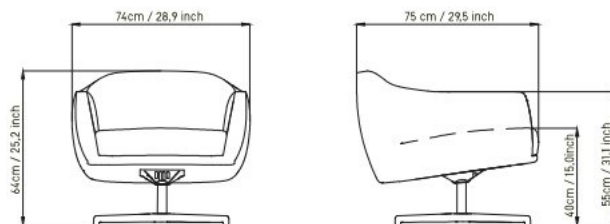

WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or defects in materials not attributable to misuse or improper use of the product.

Excluded from the warranty are excessive or improper use of the product, natural wear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the processing done on the production materials and not the intrinsic qualities of the materials themselves.

PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production, even without notice.
