**CODE:** 4SHPF32

### DESCRIPTION

**SEA SHELL:** It is a collection of soft seating with a pleasant rounded shape that can be perfectly placed in both classic and modern environments. Wide range of options available in versions of single-seater, two-seater, and three-seater sofas, armchair in three base variations, and five variants of poufs.

**STRUCTURE:** Multi-layered wood base, body made of polystyrene and covered in polyurethane foam with differentiated densities for different usage zones.

**FABRIC:** Customization of color selection is possible from a wide range of available colors.

**FEET:** Black plastic.

### USAGE INSTRUCTIONS

**Utilize the entire seating surface.** The surface of the anatomical seat must be fully occupied. This ensures proper contact with the backrest and therefore adequate support.

### MAINTENANCE AND CLEANING

#### Metal Parts

For cleaning, use specific products for polishing metals to slow down natural oxidation due to contact.

#### Upholstery and Padding

Any stains on the upholstery fabric can be removed with neutral mild detergents or with specific products recommended by the manufacturer for sanitizing and water repellency, to better preserve the good condition of the upholstery. The paddings, if they present structural issues requiring maintenance, must be handled exclusively by specialized personnel.

### ASSISTANCE

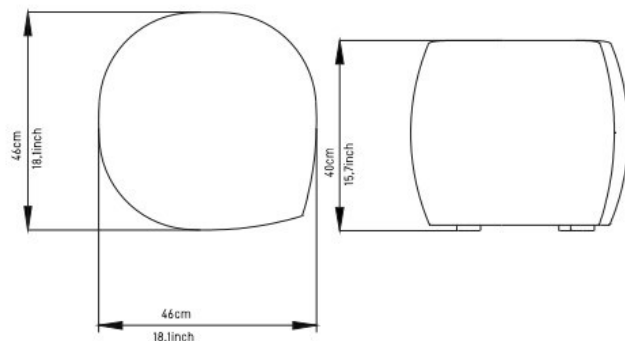

Service operations must be carried out exclusively by specially trained personnel, and requests must be submitted directly to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

### WARRANTY

Our products are guaranteed for 5 (five) years and cover defects in manufacturing or materials not attributable to improper use of the product or misuse. Excluded from the warranty are excessive or improper use of the product, natural wear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the processes performed on the production materials and not their intrinsic qualities.

### PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment, but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production without prior notice.
