Utilize the entire seating surface. The surface of the ergonomic seat should be fully occupied. Only then is correct contact with the backrest ensured, providing adequate support.

MAINTENANCE AND CLEANING

Metal Parts: For cleaning, use specific products for polishing metals to slow down natural oxidation due to contact.

Covering and Padding: Any stains on the covering fabric can be removed either with mild neutral detergents or with specific products indicated by the manufacturer as sanitizing and water-repellent, for better preservation of the good condition of the covering itself. The paddings, in case they present structural issues requiring maintenance, must be handled exclusively by specialized personnel.

SERVICE

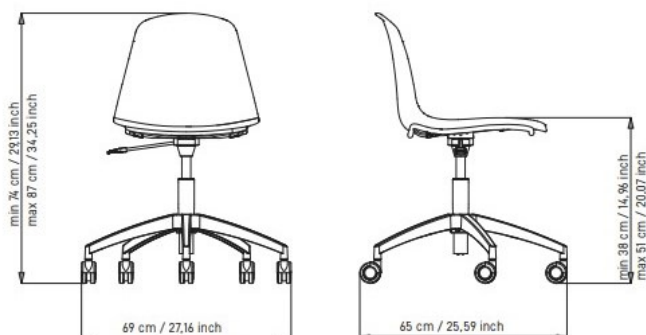

Service operations must be carried out exclusively by specially trained personnel, and requests should be forwarded directly to LUXY as the manufacturer. Maintenance and component replacements conducted by unauthorized personnel will void the warranty.

WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or defects in materials not attributable to improper use of the product. Excluded from the warranty are excessive or incorrect use of the product, natural wear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the workmanship on the production materials and not their intrinsic qualities.

PRODUCT INFORMATIONS

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production even without notice.
