USAGE INSTRUCTIONS

Utilization of the entire seating surface: The surface of the ergonomic seat must be fully occupied. Only in this way is the correct contact with the backrest guaranteed, ensuring adequate support.

MAINTENANCE AND CLEANING

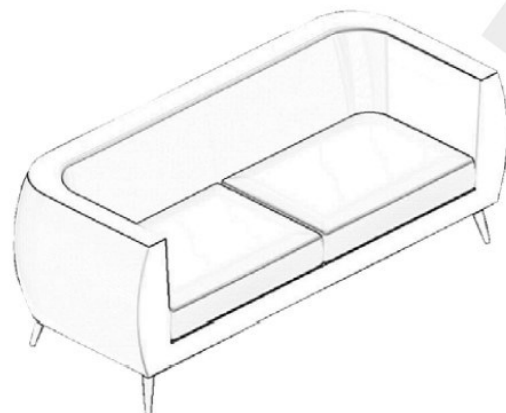

Metal Parts

For cleaning, use specific products for metal polishing to slow down natural oxidation due to contact.

Upholstery and Padding

Any stains on the upholstery fabric can be removed with mild neutral detergents or with specific products recommended by the manufacturer as sanitizers and water repellents, for better preservation of the upholstery's good condition.

Padding: If there are structural issues with the padding requiring maintenance, it should be handled exclusively by specialized personnel.

ASSISTANCE

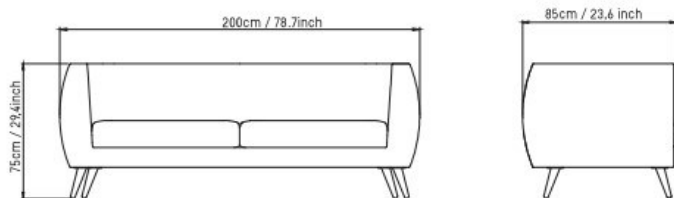

Service operations must be carried out exclusively by specially trained personnel, and requests must be submitted directly to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

WARRANTY

Our products are guaranteed for 5 (five) years and cover defects in manufacturing or materials not attributable to improper use of the product or misuse. Excluded from the warranty are excessive or improper use of the product, natural wear and tear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with presence of salt or acids. Our warranties reflect the processes performed on the production materials and not their intrinsic qualities.

PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment, but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production without prior notice.
