article: IT5
code: 4ITDI26

Warranty: 5 years

DESCRIPTION

Italia, high backrest, chromed structure, weight-sensitive, polished alu 4 star base.

SEAT: shell in double density fire retardant flexible cold-foamed polyurethane with high resistance steel insert.

BACKREST: shell in double density fire retardant flexible cold-foamed polyurethane with structural insert in rigid polyurethane.

STRUCTURE: high resistance steel rod Ø 11 mm perimeter and Ø 8 mm central. Connection blade in steel with 8 mm thickness. Finish of the structure chromed or painted with polyester powder embossed white or black.

MECHANISM: Weight-sensitive synchronized mechanism with anti-shock 16° back inclination and 4° seat inclination, 4 locking positions and sliding seat with 60 mm adjustment; Synchronized mechanism with lateral adjustment of the intensity and with anti-shock 20° back inclination and 8° seat inclination, 5 locking positions and sliding seat with 60 mm adjustment.

BASE: swivel, 5 or 4 star base in die-cast aluminum, available chromed or with embossed painting black or white; swivel, 4 star base in die-cast aluminum Ø 720 mm with polished or with embossed polyester painting black or white, with column matching the base color and integrated skid proof glides.

GLIDES: height 65 mm in plastic with inserts suitable for all types of floor: chromed, white or black.

MAINTENANCE

CHROME PLATED PARTS: Clean with a soft cloth with some neutral detergent to polish the steel.

PAINTED PARTS: Clean with soft cloth dampened slightly with water and dry with a dry cloth.

PLASTIC PARTS: Use soft cloth dampened slightly with water, without insistence, then dry with a dry cloth

ALUMINIUM PARTS: To clean use only specific products to polish metal parts in order to reduce the natural oxidation due to the hands contact. The aluminium parts tarnish naturally. LUXY recommends not using chemical detergents.

FABRIC: Fabric: pour some drops of neutral detergent on a damp and wringed out cloth, rub gently on the seat and leave it dry. See maintenance instructions on LUXY upholstery book. Luxy recommends using ecological products.

LEATHER: Leather is a natural product. Imperfections give to the material its unmistakable aspect. In presence of marks, they have to be removed with a soft wool cloth. In case of ingrained stains, use only products for leather coloured with aniline. Do not expose leather to direct sunlight. Luxy recommends using ecological products.

CASTORS/FEET: For the enduser security and for different types of floor, different types of castors are available, as per security rules:
- hard castors for sift floors
- rubber castors for hard floors (standard).

MATERIAL AND RECICLABILITY
