## DESCRIPTION

CUBE. Attention to detail, minimalism, and elegance. Cube embodies unparalleled comfort and pleasantness. The Cube system is appreciated for its ability to furnish any space, suitable for guests as well as informal meetings. The collection ensures elegance and modernity, pleasant comfort thanks to the special padding, skillfully embellished by the quilted effect on the backrest, designed to offer enveloping comfort and a relaxing oasis. The wide range of finishes and colors of fireproof faux leather allows Cube to blend in with sobriety. Suitable for office settings, Cube completes the furnishing, filling the space in a sophisticated and comprehensive manner like the design object that best reflects a passion for beauty and enables humanization in work environments. Elegance and adaptability to be combined and coordinated with the most suitable finishes and colors for furnishing.

**BACKREST:** made of polyurethane foam with a density of 40 kg/m<sup>3</sup>.

**SEAT:** made of polyurethane foam with a density of 40 kg/m<sup>3</sup>.

**FABRIC:** customization of the upholstery is possible with a wide range of available colors. CUBE approved 11M with SURROUND coated fabric.

**FRAME:** made of multilayer and regenerated wood covered with polyurethane foam with a density of 40 kg/m<sup>3</sup>, with elastic straps on the seat.

**LEGS:** made of metal with a cylindrical section of Ø 30 mm, finished with black epoxy powder coating. Also available in white, gray, aqua green, blush pink, and ivory finishes.

## USAGE GUIDELINES

Use the entire seating surface. The surface of the ergonomic seat must be fully occupied. Only then is correct contact with the backrest guaranteed, ensuring adequate support.

## MAINTENANCE AND CLEANING

**Metal Parts:** For cleaning, use specific products for polishing metals to slow down natural oxidation due to contact.

**Upholstery and Padding:** Any stains on the fabric upholstery can be removed either with mild neutral detergents or with specific products recommended by the manufacturer as sanitizing and water-repellent, for better preservation of the upholstery's good condition.

The paddings, if they exhibit structural issues requiring maintenance, must be handled exclusively by specialized personnel.

## ASSISTANCE

Service operations must be carried out exclusively by specially trained personnel, and requests should be directed directly to LUXY as the manufacturer. Maintenance and component replacements carried out by unauthorized personnel will void the warranty.

## WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or material defects not attributable to improper use of the product.

The warranty excludes excessive or improper use of the product, natural wear and tear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres containing salt or acids. Our warranties reflect the processing applied to the manufacturing materials and not their intrinsic qualities.

## PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment, but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production without prior notice.
