The PLACE for IDEAS

FrameOut

Frame Out is Luxy's outdoor collection designed to enjoy design also outdoors. Soft lines, welcoming volumes and resistant materials come together to offer comfort and style in any outdoor context, from a private garden to a hotel terrace. An invitation to slow down, to rediscover the pleasure of being together, with the quality and elegance that have always defined the Luxy world.

THE COLLECTION

The Frame Out collection consists of different types of seating, all upholstered and designed to guarantee comfort and durability outdoors:

- **Chair**, available with or without armrests
- **Lounge armchair**
- **2 or 3 seater sofa**

Each element is made with outdoor-treated aluminium frame and handmade nautical rope trim, which wraps around the structure with handcrafted precision.

A flexible and harmonious system, designed to furnish outdoor spaces with personality, functionality and stylistic coherence.

CHAIRS

Available with or without armrests, Frame Out chairs combine lightness and strength. Ideal for any outdoor space, they are distinguished by their treated aluminium frame and handcrafted nautical rope finish.

ARMCHAIR AND SOFAS

Relaxed comfort and essential style: the lounge chair and 2- or 3-seater sofas are designed to create outdoor conversation areas. The generous upholstery and proportions invite you to take a break without sacrificing elegance.

TABLES

The collection includes a low coffee table and a tea table, both available with a marble or recycled plastic top. Two versatile proposals to complete any outdoor environment with style and functionality.
