

SEA SHELL

ARTICOL: SH8

CODE: 4SHLM16

DESCRIPTION

SEA SHELL: is a collection of soft seating with a pleasant rounded shape that can be perfectly placed in both classic and modern environments. Wide range of options available in armchair, two-seater and three-seater sofa, armchair in three base variations, high and low lounge versions, and five variations of poufs.

SEAT: upholstered in fireproof flexible polyurethane foam with a density of 50 kg/m³, with a high-strength steel insert.

BACKREST: upholstered in fireproof flexible polyurethane foam with a density of 55 kg/m³, with a structural insert in rigid polyurethane.

FABRIC: customization is possible with a wide range of available colors.

BASE: 4-legged swivel base, available in black finish (NE).

USAGE INSTRUCTIONS

Utilization of the entire seating surface. The surface of the ergonomic seat should be fully occupied. Only in this way is the correct contact with the backrest ensured, thus providing adequate support.

MAINTENANCE AND CLEANING

Metal Parts

For cleaning, use specific products for metal polishing to slow down natural oxidation due to contact.

Upholstery and Padding

Any stains on the fabric upholstery can be eliminated either with mild neutral detergents or with specific products indicated by the manufacturer itself as sanitizing and water-repellent, for better preservation of the upholstery's good condition. The padding, if experiencing structural issues requiring maintenance, must be handled exclusively by specialized personnel.

ASSISTANCE

Service operations must be carried out exclusively by specially trained personnel, and requests should be directly forwarded to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

WARRANTY

Our products are guaranteed for 5 (five) years and cover defects in manufacturing or materials not attributable to improper use or misuse of the product. Excluded from the warranty are excessive or improper use of the product, natural wear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the processing done on the production materials and not the intrinsic qualities of the materials themselves.

PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production, even without prior notice.
