**ARTICOL:** QO5Q

**CODE:** 4ICQ050

### DESCRIPTION

**INCOLLECTION** is a collection of designer tables that come in three dimensional proposals, defining the environment where people gather, eat, drink, and exchange ideas. **INQUADRO** and **INTONDO** are the two collections that meet very high standards of quality, technicality, and design, strongly characterizing a common space.

**INQUADRO** and **INTONDO** derive their names from the characterization of their base.

**TOP:** Decorative high-pressure laminate (HPL) with a thickness of 12 mm (fig.1) compliant with EN 438 and ISO 4568 standards, square dimensions of 790x790 mm.

**STRUCTURE:** In the fixed version, a cruise connection in die-cast aluminum between the top and the tube, finished with powder-coated epoxy colors such as black, and a high-resistance steel tube with a diameter of 50 mm and thickness of 1.5 mm, height 690 mm, chrome finish (CR) or powder-coated in colors like Black (NE), White (BI), Gray (GG), Aqua Green (VD), Powder Pink (MT), or Ivory (SB).

**BASE:** **INQUADRO** square base in steel 450x450 mm, thickness 10 mm, with a cover in polished stainless steel, thickness 1 mm, or powder-coated in colors like Black (NE), White (BI), Gray (GG), Aqua Green (VD), Powder Pink (MT), or Ivory (SB).

### USAGE INSTRUCTIONS

Use the table as intended. In case of inappropriate use (e.g., as a ladder, sitting on it, or with extreme unilateral loads), there is a risk of accidents.

### MAINTENANCE AND CLEANING

**Metal Parts:** For cleaning, use specific products for metal polishing to slow down natural oxidation due to contact.

**Coating and Padding:** Any stains on the fabric covering can be removed either with mild neutral detergents or with specific products recommended by the manufacturer as sanitizing and water-repellent, for better preservation of the coating's good condition. The paddings, if they present structural issues requiring maintenance, must be handled exclusively by specialized personnel.

### SERVICE

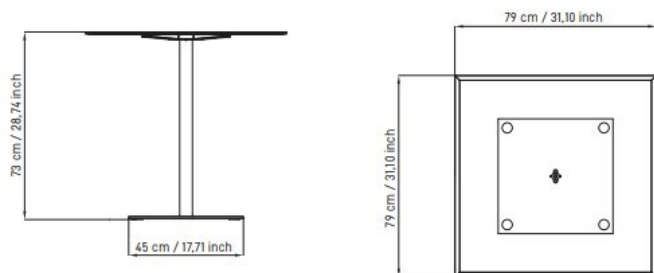

Service operations must be carried out exclusively by specially trained personnel, and requests must be forwarded directly to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

### WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or materials not attributable to improper use of the product. Excluded from the warranty are excessive or improper use of the product, natural wear of materials (fabrics), defects caused by interventions performed outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the processes carried out on the production materials and not their intrinsic qualities.

### PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment, but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production without prior notice.
