

The Place for Ideas

Figli di un territorio dalla storia manifatturiera centenaria come Vicenza, siamo ad oggi una realtà internazionale, specializzata nella produzione di sedute di design per ambienti office e community. Dal 1976 ricerchiamo quotidianamente nuove frontiere di comodità e progettazione. I nostri prodotti uniscono la qualità e l'unicità del Made in Italy, apprezzate negli oltre 40 Paesi in cui siamo esportatori. Viviamo nel presente ma con un occhio sempre rivolto al futuro, così da anticipare le necessità dei nostri clienti e soddisfare ogni tipologia di esigenza, dalla comodità della seduta, alla sua qualità estetica. Ogni prodotto è un pezzo della nostra storia, un valore a cui ci ispiriamo, una fiaba all'interno di un libro che racconta chi siamo.

Rooted in hundreds of years of Italian manufacturing history, we've grown to the international level, designing and crafting seating for offices and communit environments around the world. Since 1976, we've worked constantly to stay at the forefront of comfort and design. Our products combine the quality and unparalleled appeal of Made in Italy products, and are well received by each of the 40 countries we currently export to. We live in the present but with an eye always on the horizon, to foresee and satisfy any need, from comfort to aesthetics. Each product is a piece of our history, a value that inspires us, a page of a book that tells our story.

L'autenticità contraddistingue LUXY in ogni fase del processo industriale. Questo grande valore, da oltre quarantacinque anni di storia, si esprime in:

TRADIZIONE: siamo eredi di un'artigianalità conosciuta in tutto il mondo. La maestria del passato ci accompagna con costanza nella crescita internazionale del nostro prodotto.

INNOVAZIONE: sperimentiamo l'inesplorato alla ricerca di nuove frontiere di comodità e design in un'ottica di utilizzo di risorse e materiali al passo con l'evoluzione tecnologica del nostro settore.

CREATIVITA': ingegno, passione e curiosità alimentano l'unicità dei nostri prodotti, frutto dell'unione di internazionali e brillanti menti creative.

MADE IN ITALY: crediamo nei valori della nostra terra, culla della tradizione manifatturiera. I nostri prodotti, esportati in oltre 40 Paesi, raccontano la qualità nella lavorazione delle materie prime italiane nel mondo.

Authenticity is what sets apart every phase of Luxy's manufacturing process. For over 45 years, we've expressed this value through:

TRADITION: We are heirs to craftsmanship known throughout the world. The mastery of our past stays with us as we expand into international markets.

INNOVATION: We experiment the unexplored in search of new frontiers of comfort and design and aim to use resources and materials in line with the technological evolution of our sector.

CREATIVITY: Ingenuity, passion and curiosity fuel our design process, resulting from the union of brilliant and creative minds around the world.

MADE IN ITALY: We believe in the values of our land, a cradle of manufacturing tradition. Our products are testament to the quality of Italian raw material handling.

La nostra azienda lavora con dedizione ed estrema cura nel rispetto dell'ambiente che ci circonda. Per questo, siamo certificati:

1. UNI ISO 9001: Sistemi di gestione qualità
2. UNI ISO 14001: Sistemi di gestione ambientale
3. UNI ISO 45001:2018 Sistemi di Gestione per la Salute e la Sicurezza sul Lavoro
4. SA8000: 2014 Sistemi di Gestione Responsabilità Sociale
5. CAM EN ISO 14021: Certificazione ambientale di prodotto

Seguiamo un processo produttivo sostenibile, frutto di una filiera locale. Il territorio che tuteliamo è padre delle pregiate materie prime che scegliamo per realizzare i nostri prodotti. Assicuriamo al cliente il massimo in termini di qualità, sicurezza e durabilità dei prodotti nel tempo.

Our company works with dedication and extreme care to respect the environment that surrounds us. We hold the following certifications:

1. UNI ISO 9001: Quality Management Systems
2. UNI ISO 14001: Environmental Management Systems
3. UNI ISO 45001:2018 Occupational Health and Safety Management Systems
4. SA8000: 2014 Social Responsibility Management Systems
5. CAM EN ISO 1402: Environmental Product Certification

We've employed a sustainable production process that relies a local supply chain. The land we protect is the precious source of the raw materials we choose to make our products. We assure our customers the best in terms of quality, safety and durability over time.

ITALIA

Design by Favaretto & Partners

Stile sinuoso in un contesto di silenziosa creatività. Italia racconta la lineare determinazione e l'avvolgente accoglienza di una seduta pensata per ambienti di lavoro dal design minimal e ricercato. Disponibile in tre varianti, Italia coccola il corpo con le sue curve modellate e le cuciture a vista regalando personalità, stabilità e comfort alla quotidianità della persona che la utilizza.

Sinuous allure in creative silence. Italia is the story of linear determination and a welcoming embrace for refined, minimalist offices. Available in three different versions, Italia cocoons the body with its curves while visible seams lend a sense of personality, stability and comfort to daily life.

LIGHT

Design by Luxy R&D

Leggerezza atemporale, frutto di maestosa professionalità. Light è la seduta che racconta gli oltre quarant'anni di storia Luxy, combinando bellezza, artigianalità e resistenza nel tempo. La lavorazione senza viti a vista ne fa un oggetto in grado di valorizzare l'ambiente nel quale è ospitata, rendendolo altamente sofisticato. La morbidezza delle linee e la cura estrema dei dettagli contribuiscono a creare un insieme completo e coerente nella sua esclusiva armoniosità.

Timeless and weightless, from the mind of a true maestro. Light envelops our 40 years of history into a single chair, combining beauty, artisanal skills, and durability. Crafted without visible screws, the chair embellishes any environment with its unabashed sophistication, while its soft lines and attention to details exude harmonious exclusivity.

EPOCA

Design by Stefano Getzel

Raffinata adattabilità e armonica multifunzionalità. Epoca è un sistema di sedute dalla forte personalità pensato per essere declinato in base al contesto e alle modalità di utilizzo. Con la sua forma, abbraccia l'utilizzatore regalandogli accoglienza e comfort senza privarlo della libertà necessaria per concedersi un momento di relax. La scocca con finitura gofrata e le nuove colorazioni ne fanno un oggetto di design versatile, pulito e mai scontato. Disponibile anche in versione lounge per donare all'attesa il gusto del piacere.

Refined adaptability and harmonious multifunctionality. Epoca is a seating collection with a strong personality designed to suit any context. Thanks to its shape, the chair offers the body a comforting embrace without limiting movement. The shell with an embossed finish and new colors make it a versatile piece of design that is never predictable. The chair is also available in a lounge version to make waiting pleasant again.

BLOOM

Design by Luxy R&D

Alberi in fiore, profumo di primavera. Bloom è la seduta disponibile in tre misure, sbocciata dall'unione di artigianalità e ingegno. Le sue linee morbide la rendono delicata e confortevole allo stesso tempo. Declinata in diversi modelli e con basi girevoli, coniche, regolabili o fisse, è l'ideale per arredare spazi community che richiedano una certa attenzione all'estetica. Le tante colorazioni dai toni pastello la rendono perfetta anche in contesti privati che necessitano di essere personalizzati.

Blossoming flowers, spring is in the air. Bloom is available in three different sizes, rooted in craftsmanship and ingenuity, with soft lines that make it both delicate and comfortable. With a swivel, conical, adjustable or fixed base, the chair is ideal for furnishing community spaces where aesthetics count, while the palette of pastel colorways make it easy to personalize.

CLUSTER

Design by Luigi Vittorio Cittadini

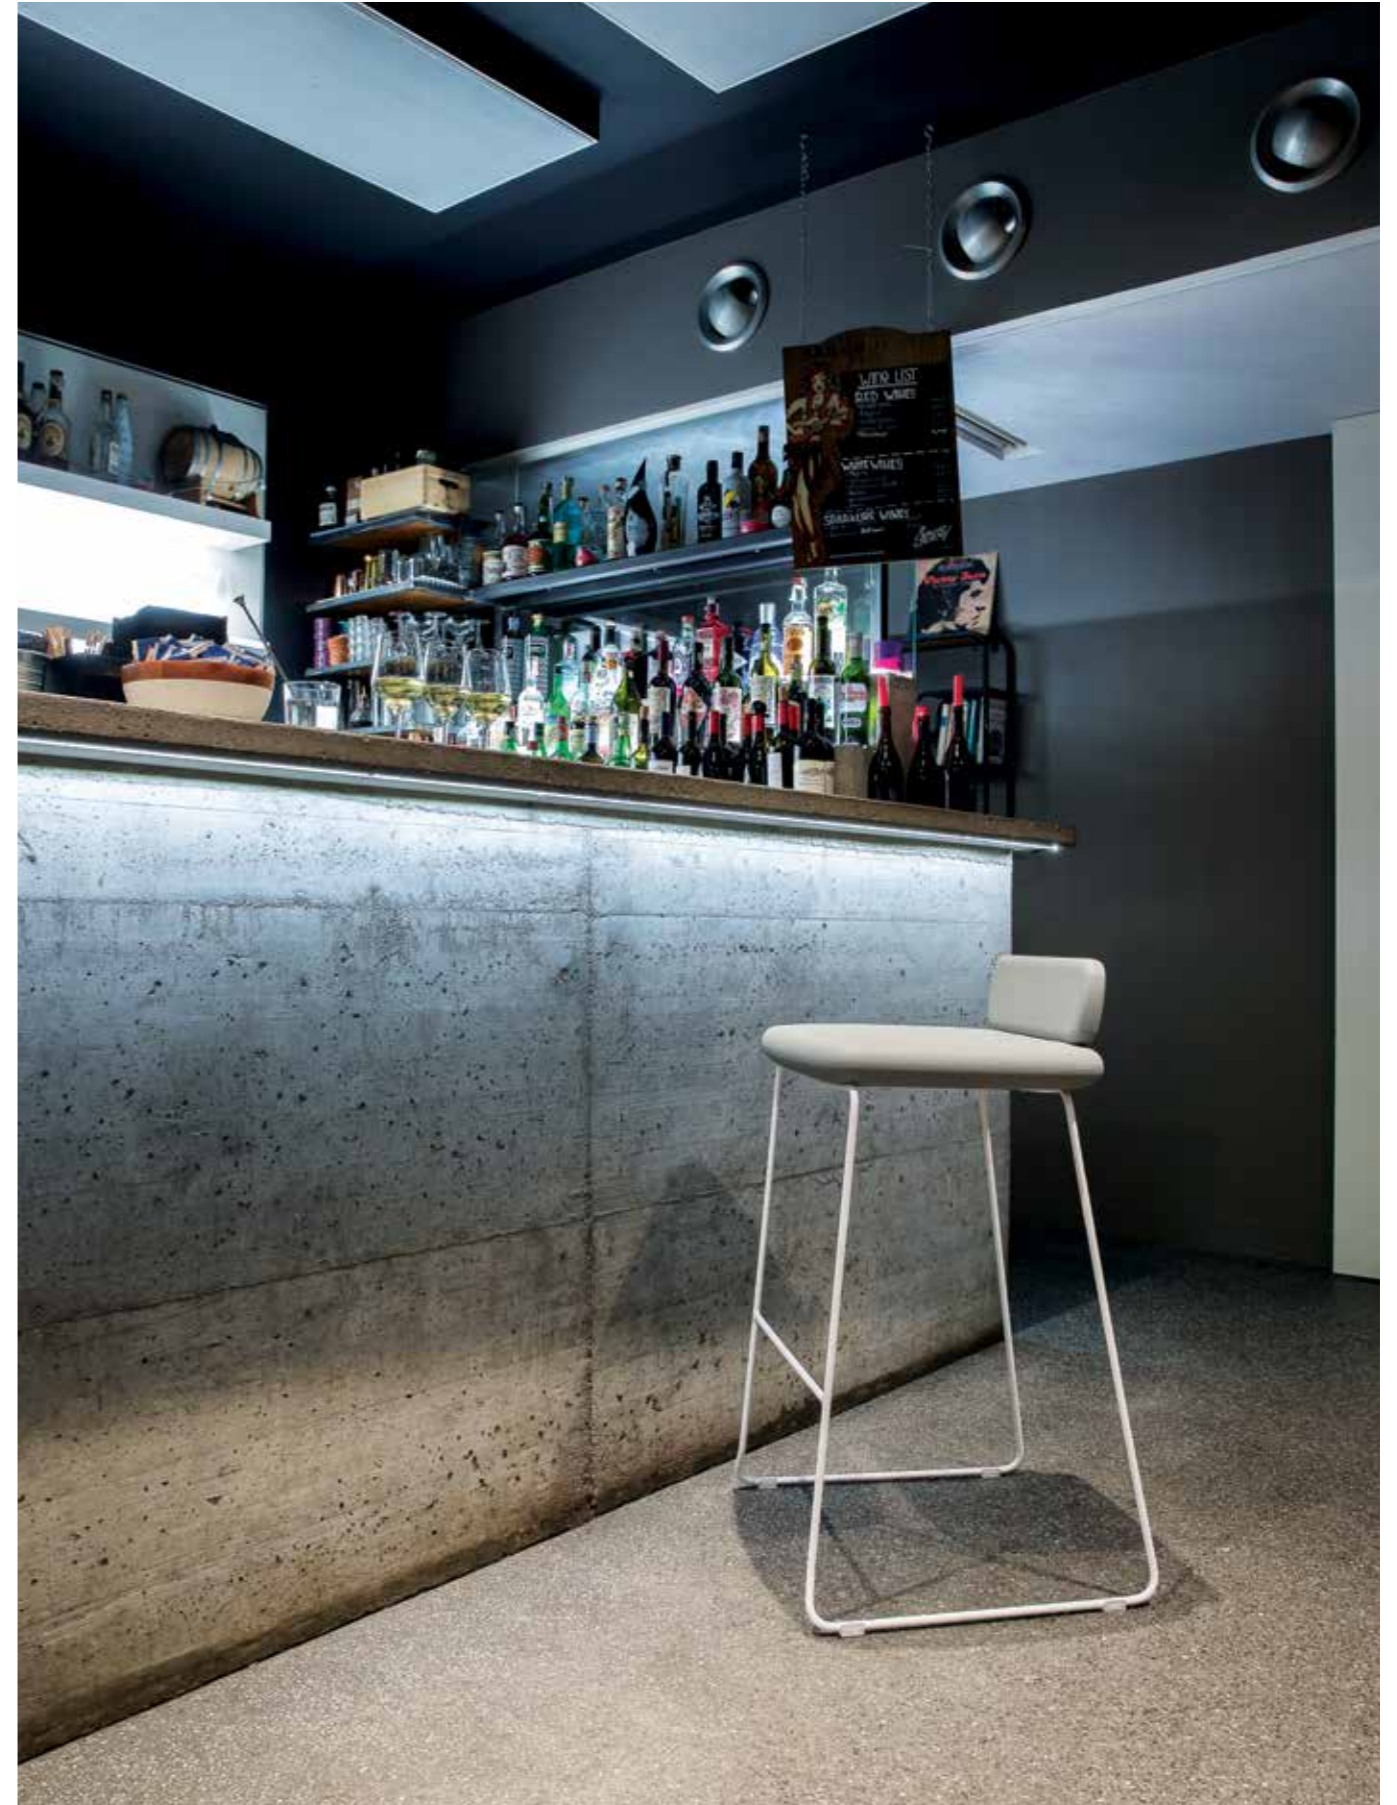

Composizioni geometriche personalizzabili. Cluster è la seduta senza regole che risponde alle esigenze e ai gusti di ogni persona. Modellabile in base alle proprie necessità, è un oggetto d'arredo che regala carattere all'ambiente nel quale viene inserita. Con i suoi elementi compositivi, trasmette stabilità e compostezza. Una tela su cui ciascuno può dare sfogo alla propria creatività, disegnare le proprie emozioni, raccontare la propria storia e realizzare un oggetto dalla singolare unicità.

Customizable geometric compositions. Cluster is a chair that obeys no rules to meet any needs or tastes. Personalize the piece around any whim, Cluster will respond accordingly while adding a dash of personality to any space. Piece together its sturdy elements: Cluster is a blank canvas to express creativity, tell a story or create an object that is entirely unique.

RIBELLE

Design by Favaretto & Partners

Sostanziale e sapientemente intrecciata. Ribelle rompe tutti gli schemi e riscrive il concetto di seduta. La sua struttura verniciata la rende adatta ad ambienti indoor e outdoor, e la sua sobrietà ne fa un oggetto da utilizzare in contesti community con uno stile fortemente urbano, underground. Sei finiture diverse per una seduta dal taglio originale composta interamente d'acciaio, in grado di coniugare comfort e funzionalità.

Cleverly interwoven substance. Ribelle breaks all the molds and redefines seating. Its varnished structure makes it suitable for both indoor and outdoor spaces, while its clean lines make it suitable for community environments with an underground urban feel. Six different finishes allow you to personalize the steel chair, the perfect combination of comfort and function.

Taglio moderno, design all'avanguardia. Aire Jr è la seduta che racconta la piacevolezza dell'attesa, mettendo in mostra una classe innata e una capacità artigiana senza limiti. Ispirata alle regole dell'architettura moderna, è costituita da una struttura base tondeggiante su cui si sviluppano, come a sembrare sospesi nel vuoto, la seduta e lo schienale. È il luogo perfetto su cui prendere decisioni.

A modern shape, an avant-garde design. Aire Jr makes waiting pleasant again, showing off its innate sophistication and craftsmanship that knows no bounds. Inspired by modern architecture, the chair sits on a rounded base from which the seat and backrest bloom, as if suspended in air. The perfect place to make decisions.

CLOP

Design by Il Prisma

Clop è la sedia fuori dagli schemi per il pensiero creativo che punta l'attenzione su una nuova ergonomia che asseconda fluidamente il modo di essere e di fare delle persone che la usano. La sua personalità dinamica si presta anche per i nuovi contesti di coworking e startup.

Clop is the unconventional chair for creative thinking that focuses on new ergonomics that fluidly accommodate the way of being and doing of the people who use it. Its dynamic and "hyperactive" personality makes it suitable for new contexts of coworking and startup.

SEA SHELL

Design R&D by Luxy

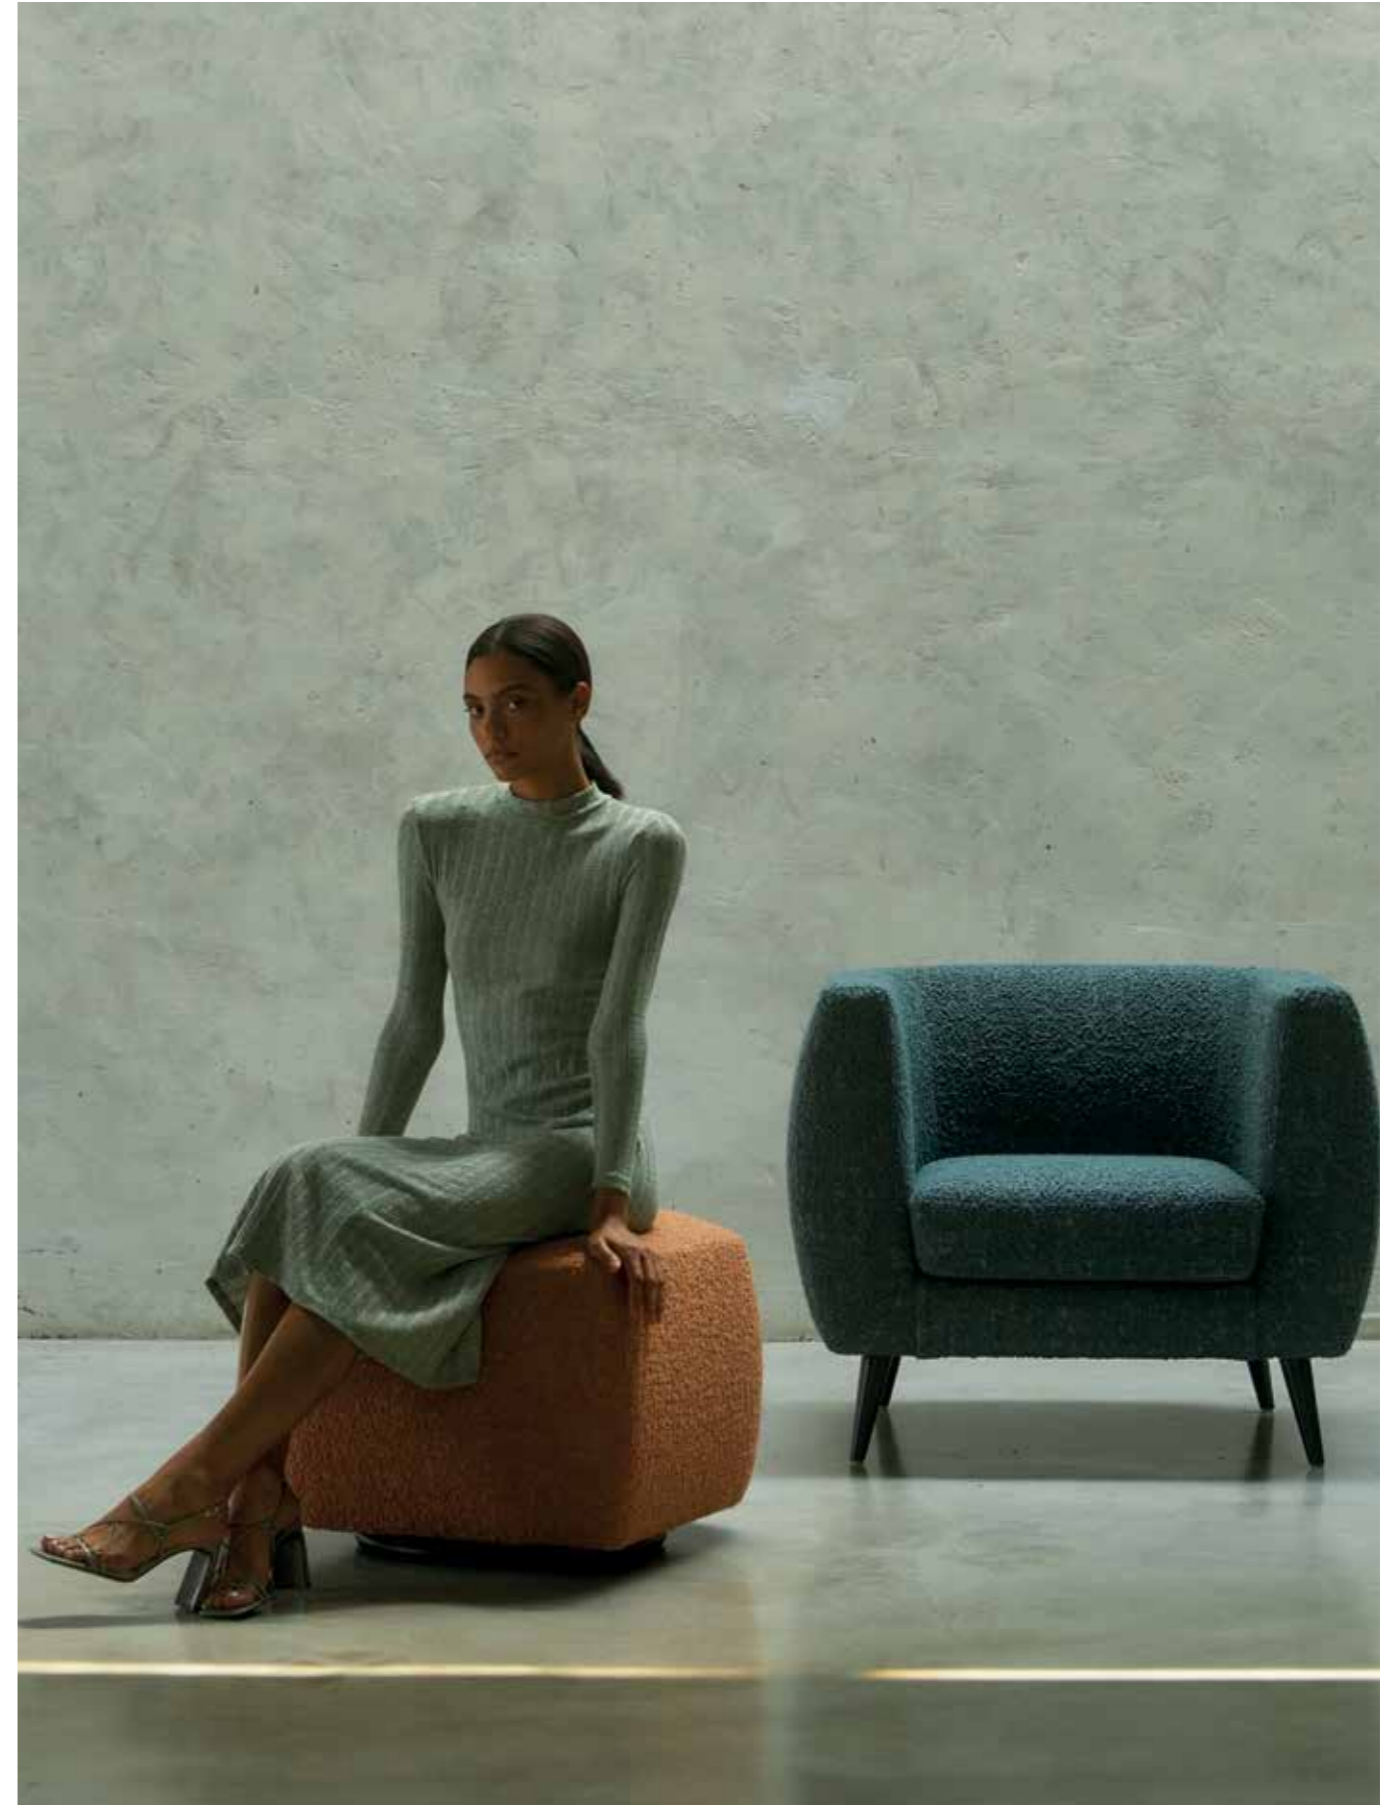

SEA SHELL è la nuova famiglia di morbide sedute per la zona lounge. Accoglienti gusci per aree break, dove ritrovare calma e comfort. Un richiamo alla vita che nasce dal mare e si rigenera nell'acqua. Si compone di varie poltrone e sedute lounge, un divano a due o tre posti e una varietà di pouf.

SEA SHELL is the new soft-seating family for the lounge area by Luxy. Cosy shells for break areas, where you can find calm and comfort. A recall to life that arises from the sea and regenerates into the water. It consists in various armchairs and lounge seating, one two or three-seater sofas and a variety of pouf.

AMARCORD

Design by Luxy R&D

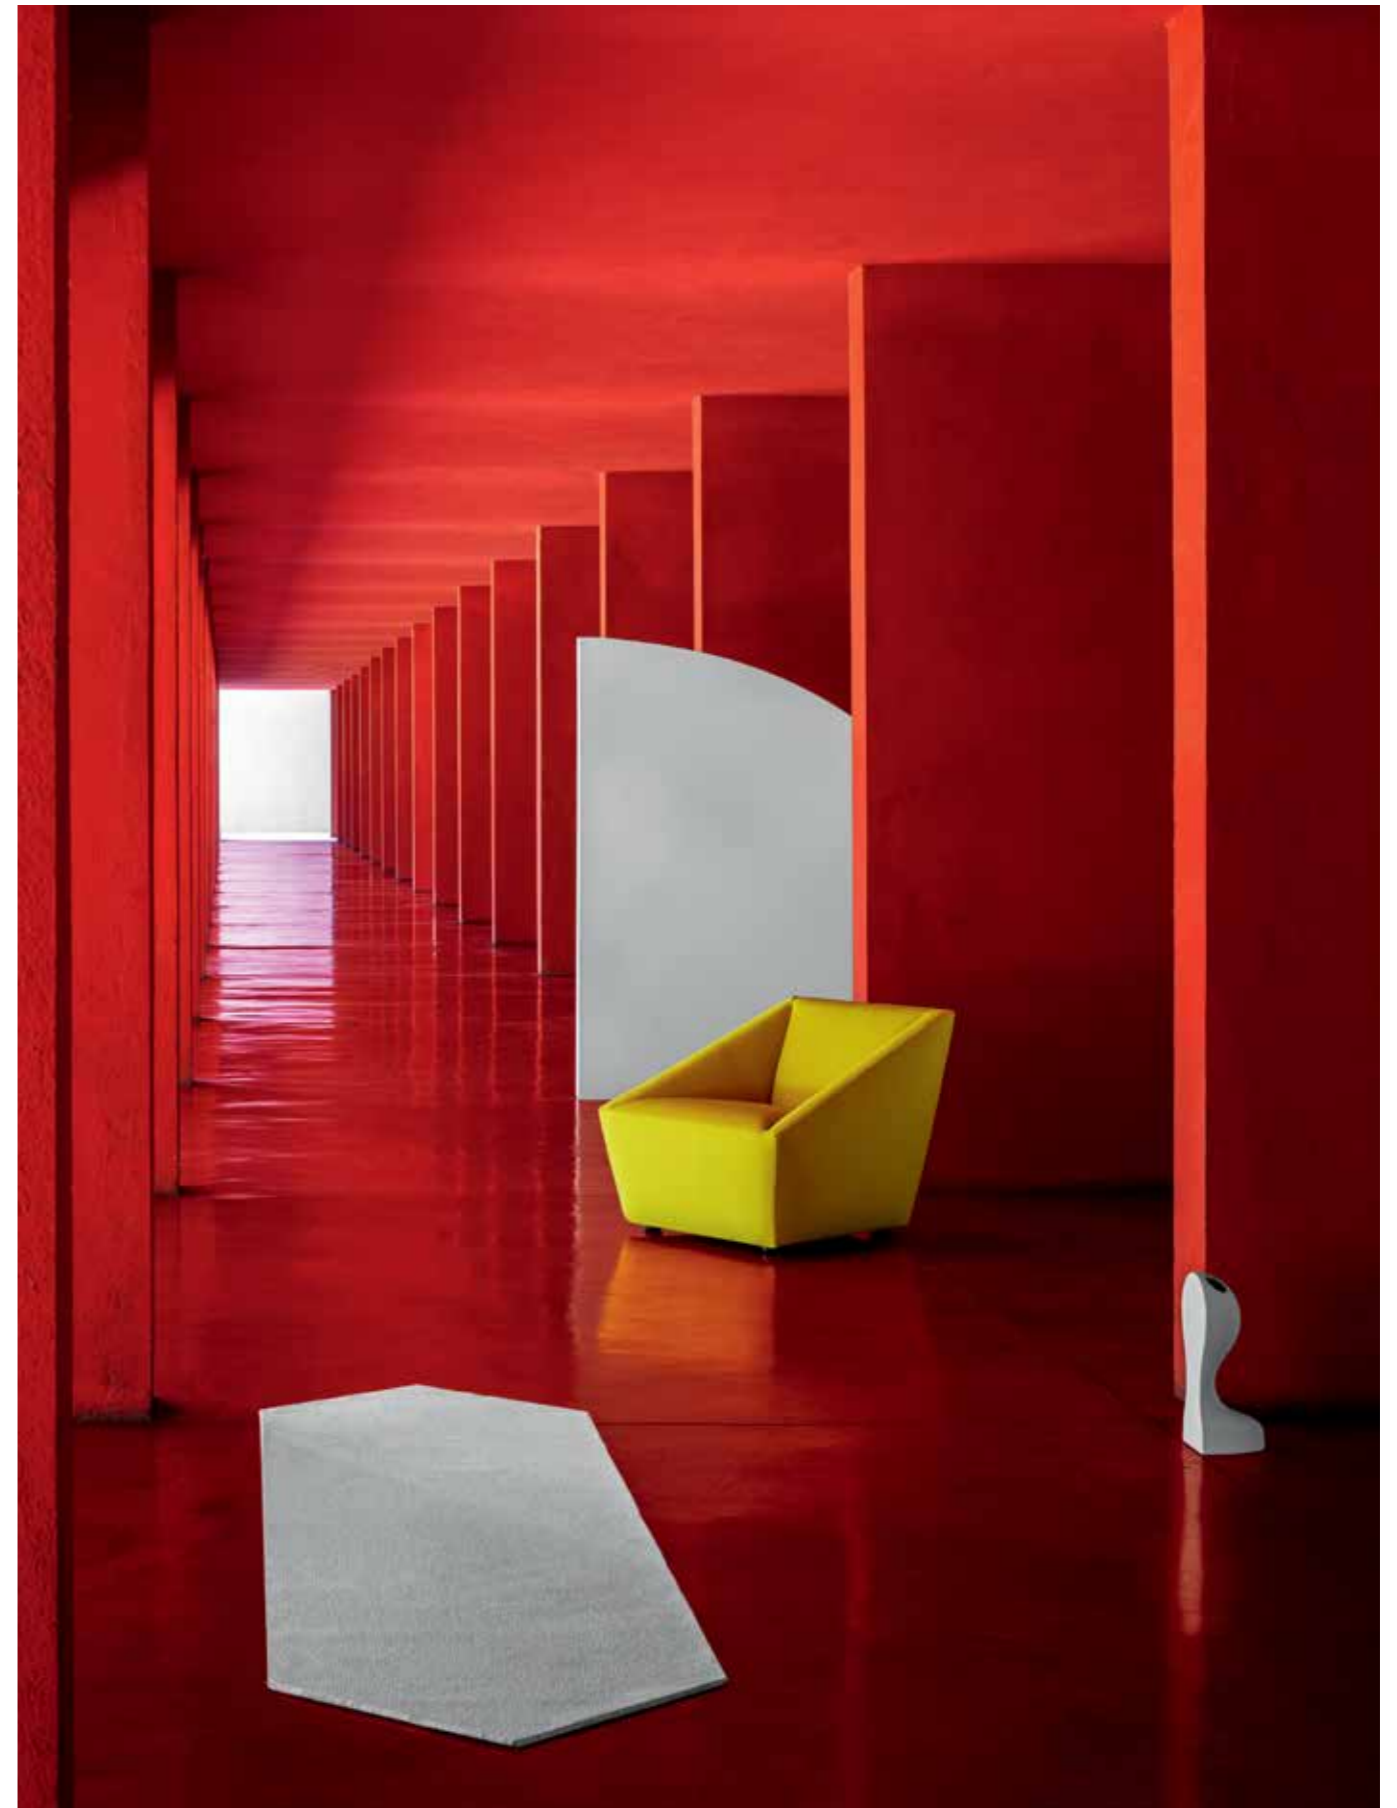

Contorni netti, struttura possente. La seduta Amarcord vuole dare nuovamente voce al passato mentre reinventa il futuro. La forma squadrata è espressione di un'architettura minimalista nelle cui linee si va ad inserire la necessità di oggetti di design semplici e decisi. Adatta a contesti ricercati e innovativi, Amarcord è dotata di accessori che permettono la ricarica di dispositivi mobili tramite USB. La tradizione che incontra la tecnologia.

Sharp contours, powerful images. Amarcord looks to the past to reinvent the future. The squared-off shape expresses an innate minimalism that responds to a need for simple and decisive minimalism. For refined and innovative spaces, Amarcord also allows you to charge USB devices. Tradition, meet technology.

PONTE

Design by Mario Ruiz

Senza limiti. Ponte è il divanetto declinabile in svariate soluzioni, forme e colorazioni. L'imbottitura in schiumato freddo poggia su una base pulita ma resistente, che regala al prodotto intero raffinatezza e unicità. Le disposizioni in linea retta, curva, tonda, monofacciale o bi-facciale esaltano la sua versatilità che si rispecchia anche nelle molteplici possibilità di utilizzo, con l'aggiunta di soluzioni tecnologiche e combinazioni all'avanguardia.

Limitless. Ponte is a loveseat that can do it all thanks to its variety of solutions, shapes and colors. With cold foam padding, Ponte sits on a clean but sturdy base that lends the entire piece a refined and unique allure. With straight, curved, round and double-sided pieces, Ponte offers an endless variety of possibilities that reflect endless possible uses, including technological solutions and avant-garde combinations.

CUBE

Design by Luxy R&D

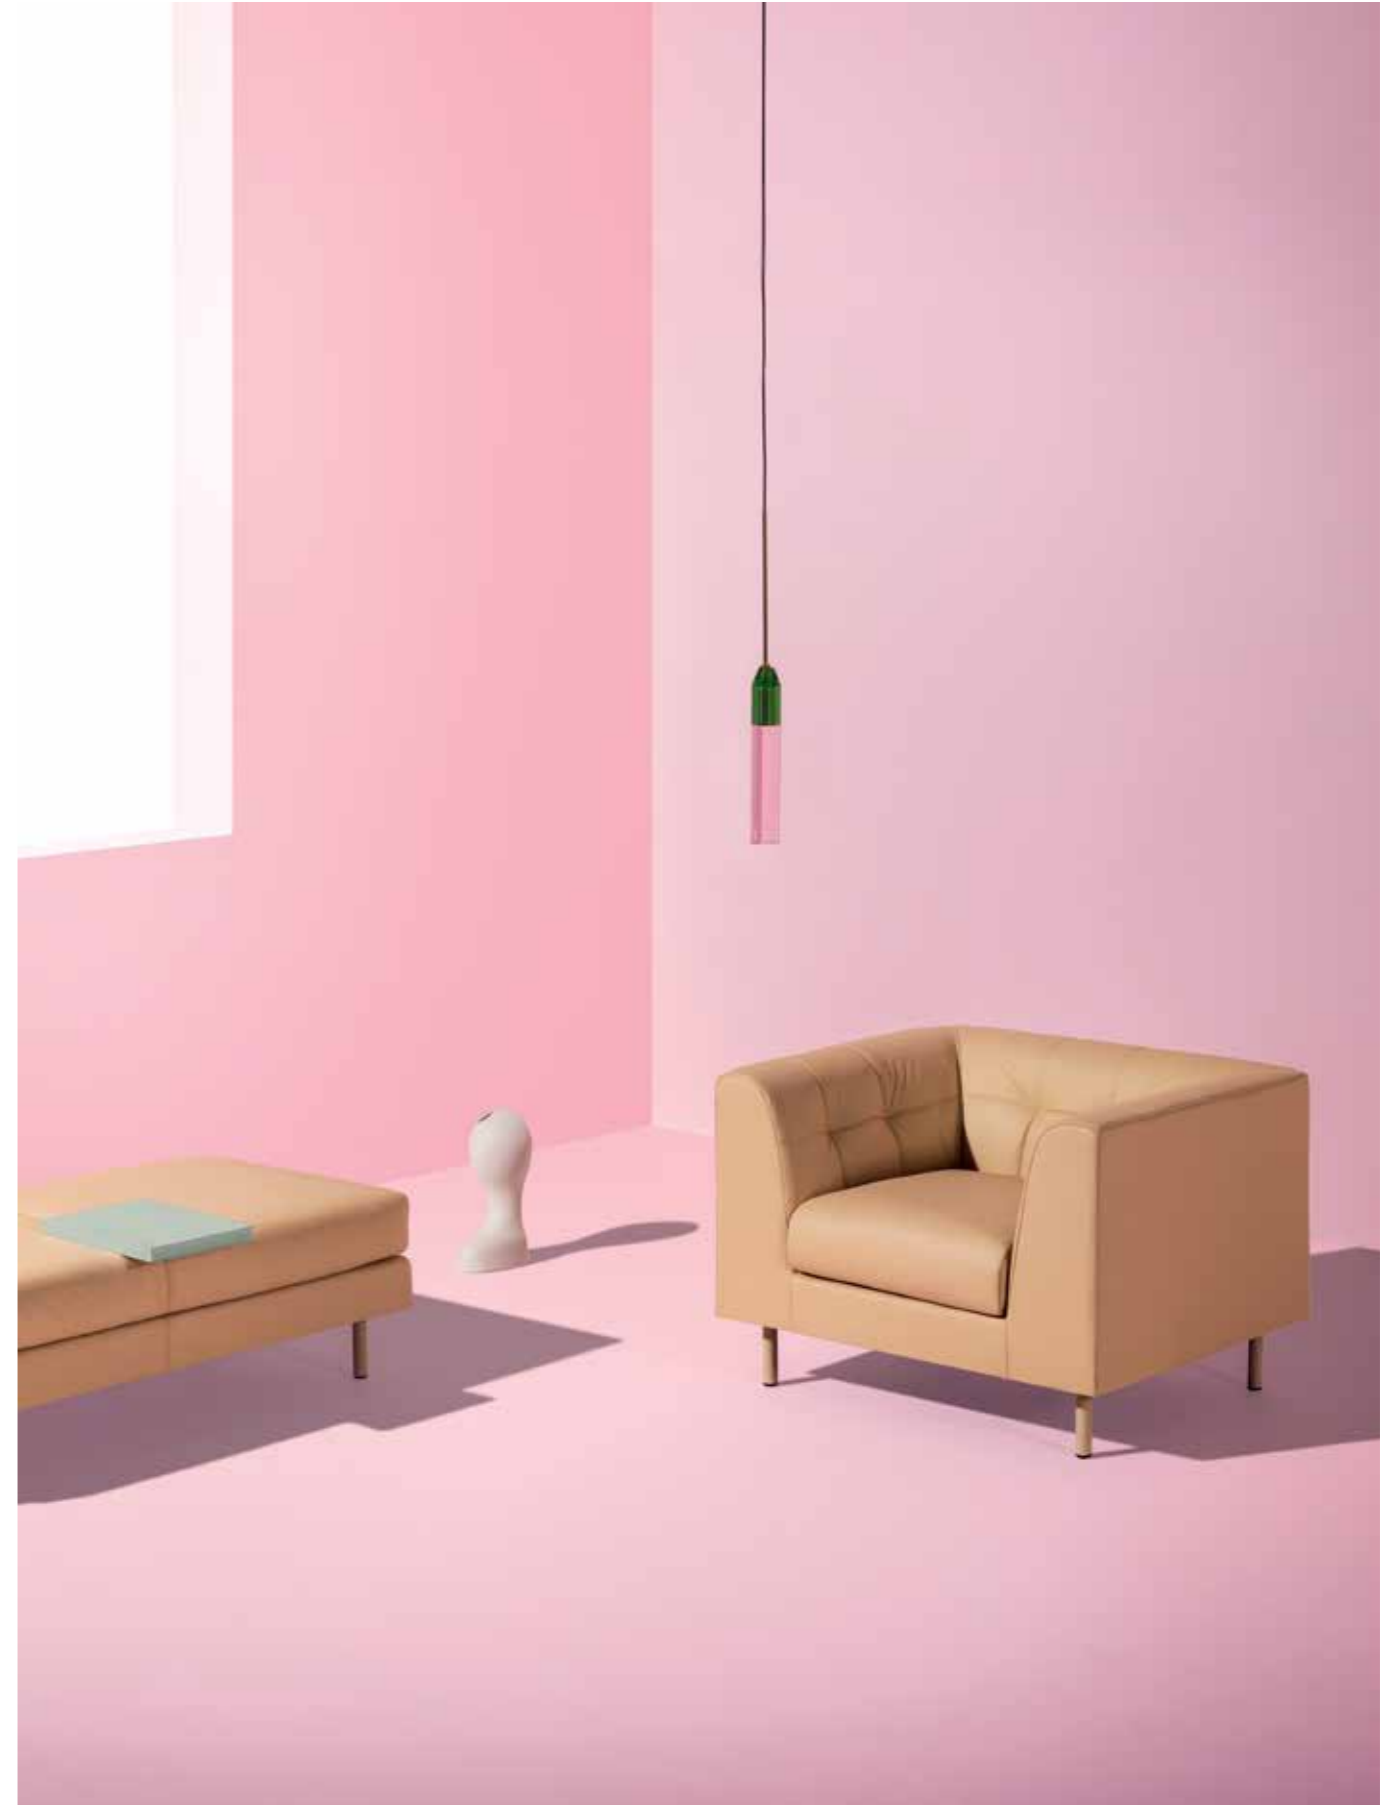

Cura del dettaglio, minimalismo, eleganza. Cube è espressione di piacevolezza e comodità senza eguali. Il basamento con piedini verniciabili in vari colori e l'imbottitura, impreziosita artigianalmente dall'effetto trapuntato sullo schienale, ne fanno un'oasi di relax. Da inserire in contesti privati o lavorativi, Cube completa l'arredamento andando a riempire lo spazio in maniera sofisticata e totalizzante. L'oggetto di design che meglio racconta la passione per la bellezza.

Attention to detail, minimalism and elegance. Cube is an expression of unrivalled pleasntry and comfort. The base can be painted different colors while the quilted backrest makes it an oasis of relaxation. For either home or work spaces, Cube embellishes spaces with its attention-getting sophistication. Uno spazio all'interno di un altro. Biga è la seduta pensata per regalare un momento di privacy a chiunque ne abbia bisogno. La sua forma e maestosità raccontano un progetto fatto di coraggio, passione e immaginazione. La versione con schienale alto è stata studiata per ridurre al minimo il riverbero acustico, mentre quella a ruote è espressione di movimento, dinamicità e continua evoluzione.

A niche within a niche. Biga is a chair designed to offer moments of privacy to anyone in need. Its shape and masterful design are the result of a courageous design process fueled by passion and imagination. The version with a backrest was designed to reduce acoustic vibrations to a minimum, while the version on wheels is an expression of movement, dynamics and continuous evolution.

TIMELESS

Design by Andrea Citton

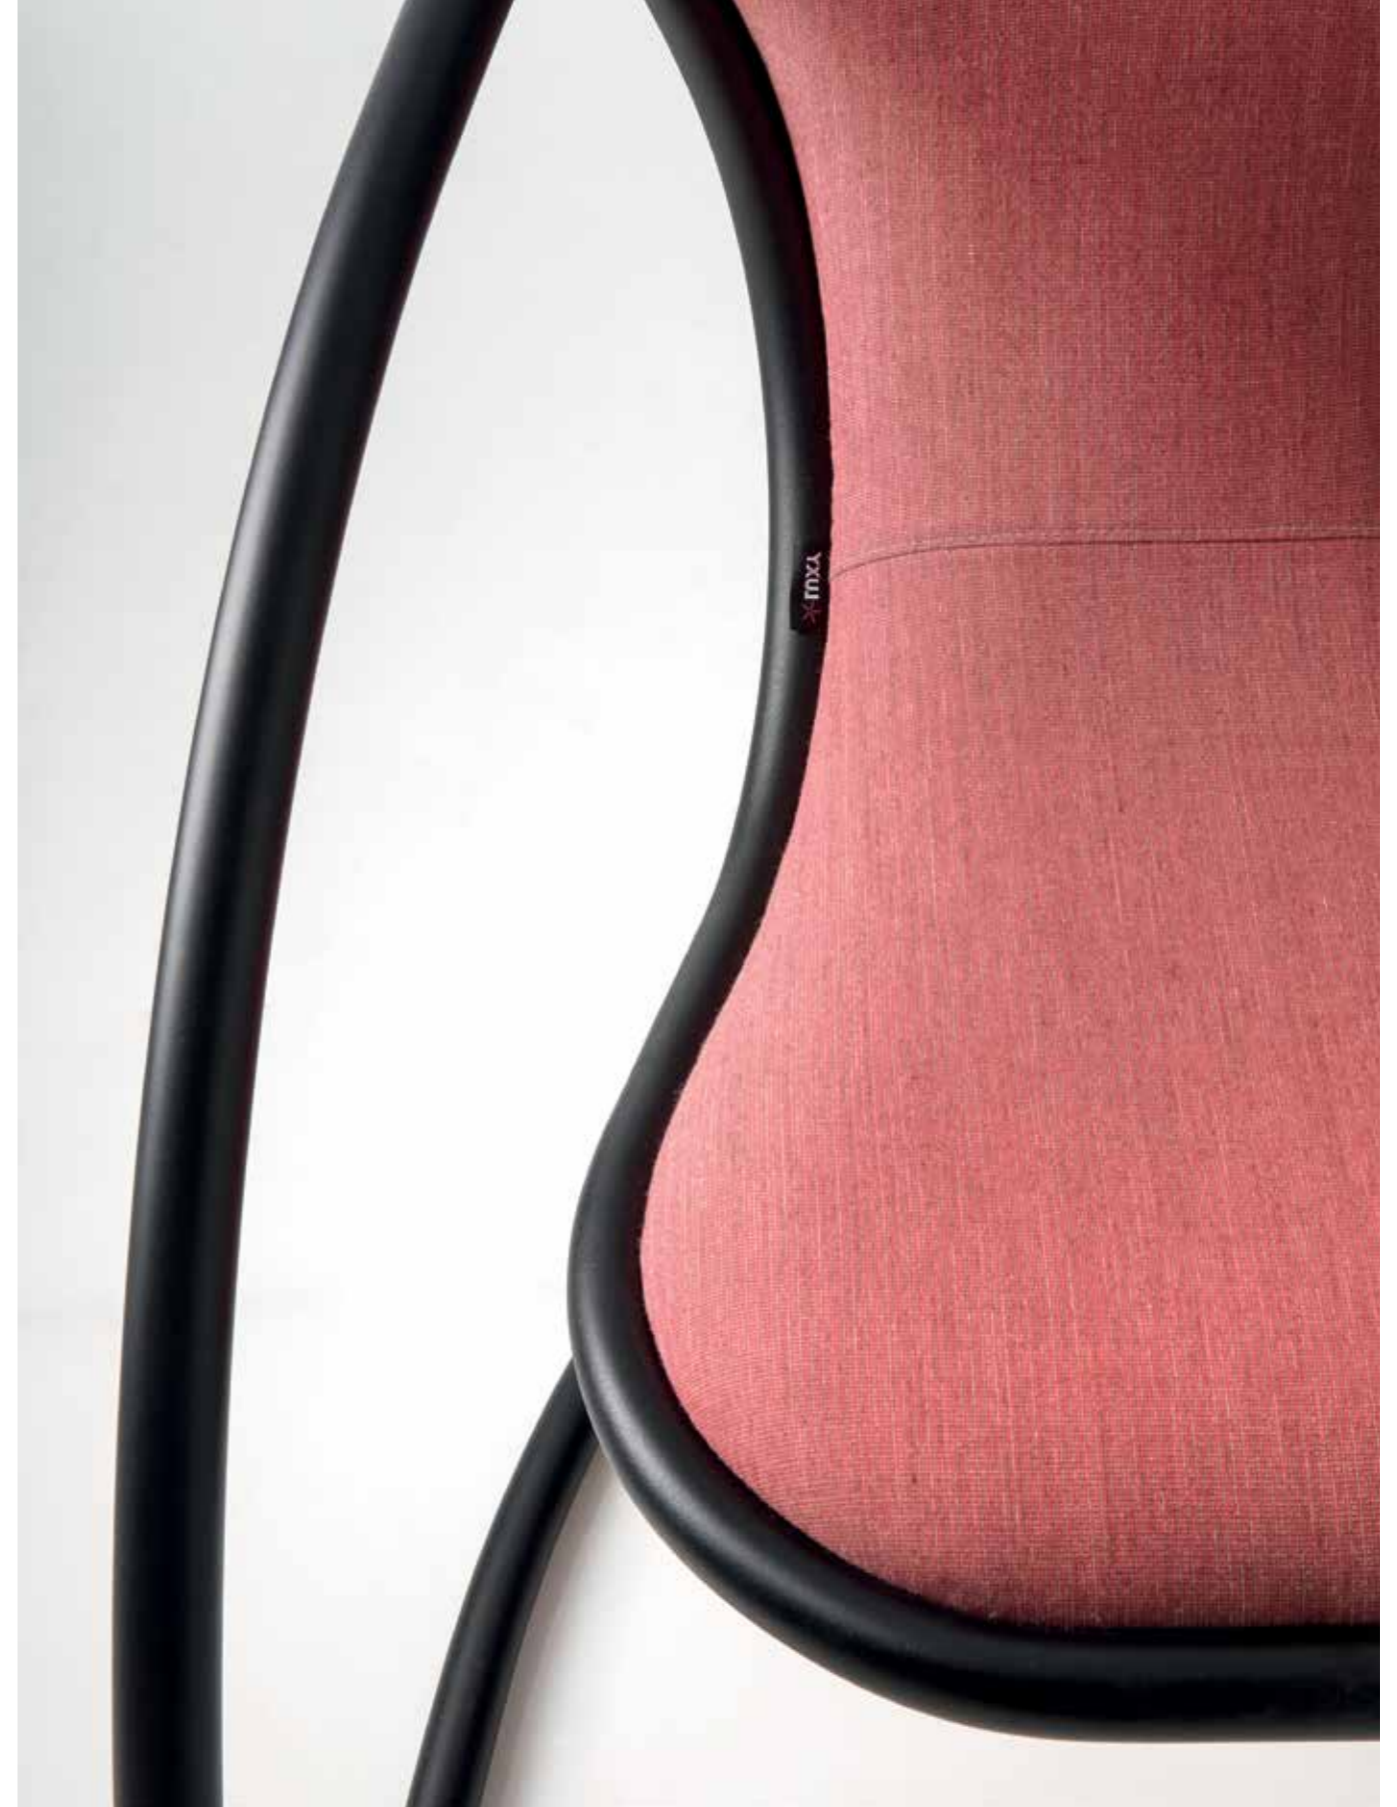

Leggerezza eterea, bellezza ricercata e comodità innata. Timeless racchiude nella sua armoniosa semplicità la mutevolezza delle cose regalando un momento di completa distensione del corpo e della mente. L'imbottitura della seduta rilassa i sensi mentre il design, mix di essenzialità e tecnologia, si sposa alla perfezione con un ambiente moderno, deciso, open air. Come un'opera d'arte, Timeless nella sua autenticità domina lo spazio in cui si trova.

Eternal weightlessness, refined beauty and innate comfort. With its harmonious simplicity, Timeless expresses the beauty of change while offering moments of total relaxation for both body and mind. The seat's padding puts the senses at ease while the design—blending the essential with technology is the perfect addition to a modern, decisive and open-air space. A work of art in its own right, Timeless dominates any space with its authenticity.

CRONO

Design by Favaretto & Partners

Complemento d'arredo funzionale in ogni sua modalità d'impiego. Crono è lo scrittoio dalle linee morbide e tondeggianti pensato per contesti lavorativi, privati e spazi community. Declinato in sei colori, è un inno all'energia della creatività e alla bellezza della semplicità mai scontata. Un disegno geometrico capace di attirare l'attenzione e rendere davvero smart lavorare da casa. Il vano porta oggetti elettrificabile è il dettaglio che rende l'insieme unico.

Functional in every way, Crono is a soft and curving desk designed for any work environment, be it at home or in a collaborative space. Available in six colors, Crono is an ode to the energy of creativity and the beauty of simplicity. With a geometric design that catches the eye, the table can make working from home really work. Completing the table is an accessories nook, with optional electrical sockets.
