

PONTE

Articol: PO35 – PO36

Code: 4POTE208 – 4POTE216

DESCRIPTION

PONTE: reveals from its first images its multifaceted ability to maintain a consistently recognizable style. It surpasses the standard of the sofa to establish itself as a true modular soft seating system: straight, curved, round, mono-faced, or bi-faced. All Ponte's upholstered elements are made of cold-molded flexible polyurethane, enhancing its perfection, comfort, long-term durability, and aesthetic quality.

SEAT AND BACKREST: made of fire-retardant, cold-molded flexible polyurethane, with a density of 70 kg/m³, fully expanded with water and free of chlorofluorocarbons (CFC-free) and hydrochlorofluorocarbons (HCFC-free), with steel inserts and metal mesh reinforcements.

FRAME: Rectangular steel tube 50x30, painted black, and oval steel tube Ø 35 mm available in chrome finish (CR) or painted with epoxy powders in Black (NE), White (BI), Gray (GG), Aqua Green (VD), Powder Pink (MT), or Ivory (SB) color options.

LEG: Die-cast aluminum legs available in chrome finish (CR) or painted with epoxy powders in Black (NE), White (BI), Gray (GG), Aqua Green (VD), Powder Pink (MT), or Ivory (SB) color options; height options of 280 mm or 340 mm.

FABRIC: It is possible to customize the choice of upholstery from a wide range of available colors. PONTE approved 1IM with MIRAGE fabric and with SURROUND coated fabric.

USAGE GUIDELINES

Utilization of the entire seating surface The surface of the anatomical seat must be fully occupied. Only in this way is the correct contact with the backrest guaranteed, and thus adequate support.

MAINTENANCE AND CLEANING

Metal Parts

For cleaning, use specific products for polishing metals to slow down natural oxidation due to contact. Upholstery and Padding Any stains on the fabric upholstery can be removed with mild neutral detergents or with specific products recommended by the manufacturer for sanitizing and waterproofing, for better preservation of the upholstery's good condition. The padding, if it presents structural issues requiring maintenance, should be handled exclusively by specialized personnel.

ASSISTANCE

Service operations must be carried out exclusively by specially trained personnel, and requests should be forwarded directly to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or materials defects not attributable to misuse or improper use of the product. Excluded from the warranty are excessive or improper use of the product, natural wear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the processing of production materials and not their intrinsic qualities.

PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment, but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production without prior notice.
