

The Place for Ideas

AIRE JR

Design by Stefano Getzel

Taglio moderno, design all'avanguardia. Aire Jr è la seduta che racconta la piacevolezza dell'attesa, mettendo in mostra una classe innata e una capacità artigiana senza limiti. Ispirata alle regole dell'architettura moderna, è costituita da una struttura base tondeggiante su cui si sviluppano, come a sembrare sospesi nel vuoto, la seduta e lo schienale. È il luogo perfetto su cui prendere decisioni.

A modern shape, an avant-garde design. Aire Jr makes waiting pleasant again, showing off its innate sophistication and craftsmanship that knows no bounds. Inspired by modern architecture, the chair sits on a rounded base from which the seat and backrest bloom, as if suspended in air. The perfect place to make decisions.
