- Black table + bracket + screws

USAGE INSTRUCTIONS

Use of the entire seating surface The surface of the ergonomic seat must be fully occupied. Only in this way is correct contact with the backrest ensured, thus providing adequate support.

MAINTENANCE AND CLEANING

Metal Parts: For cleaning, use specific products for metal polishing to slow down natural oxidation due to contact.

Covering and Padding: Any stains on the covering fabric can be removed either with **mild neutral detergents** or with **specific products recommended by the manufacturer as sanitizing and water-repellent**, for better preservation of the covering's good condition. The padding, if presenting structural issues requiring maintenance, must be handled exclusively by specialized personnel.

ASSISTANCE

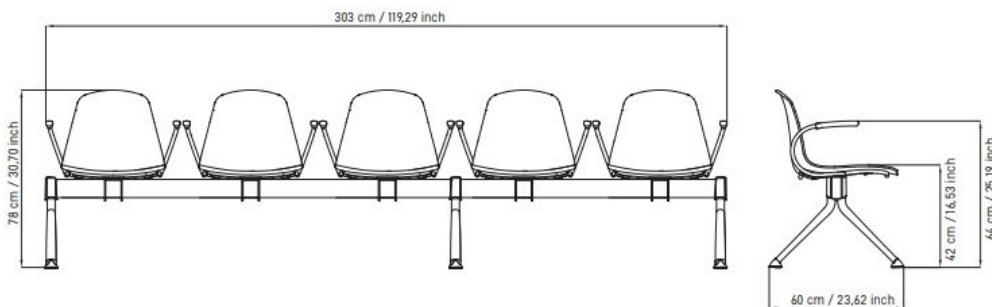

Assistance operations must be carried out exclusively by specially trained and authorized personnel, and requests must be submitted directly to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or materials defects not attributable to misuse or improper use of the product. Excluded from the warranty are excessive or improper use of the product, natural wear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with presence of salt or acids. Our warranties reflect the processes applied to the production materials and not their intrinsic qualities.

PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment, but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production without prior notice.
