1IM UNI 9175

Warranty: 5 years

DESCRIPTION

Visitor chair with medium backrest, adjustable open black armrests 1D, chromed structure.

BACKREST: padding in fire-retardant flexible polyurethane foam, density 60 Kg/m³, with high resistance steel perimetral insert, height adjustable by up-down blade with with 60 mm excursion.

SEAT: padding in fire-retardant expanded polyurethane, density 40 Kg/m³, with insert in 10 mm thick beech plywood.

ARMRESTS: 1D armrest: (height) open version black with rigid nylon pad.

MAINTENANCE

CHROME PLATED PARTS: Clean with a soft cloth with some neutral detergent to polish the steel.

PAINTED PARTS: Clean with soft cloth dampened slightly with water and dry with a dry cloth.

PLASTIC PARTS: Use soft cloth dampened slightly with water, without insistance, then dry with a dry cloth

ALUMINIUM PARTS: To clean use only specific products to polish metal parts in order to reduce the
natural oxidation due to the hands contact. The aluminum parts tarnish naturally. LUXY recommends not using chemical detergents.

FABRIC: Fabric: pour some drops of neutral detergent on a damp and wringed out cloth, rub gently on the seat and leave it dry. See maintenance instructions on LUXY upholstery book. Luxy recommends using ecological products.

LETHER: Leather is a natural product. Imperfections give to the material its unmistakable aspect. In presence of marks, they have to be removed with a soft wool cloth. In case of ingrained stains, use only products for leather coloured with aniline. Do not expose leather to direct sunlight. Luxy recommends using ecological products.
