

IN COLLECTION

ARTICOL: QO6T

CODE: 4ICQ068

DESCRIPTION

INCOLLECTION is a collection of designer tables that come in three dimensional proposals, shaping the environment where people gather, eat, drink, and exchange ideas. **INQUADRO** and **INTONDO** are the two collections that adhere to very high standards of quality, technicality, and design, strongly characterizing a shared space.

INQUADRO and **INTONDO** derive their names from the characterization of their bases.

TOP: Made of high-pressure decorative laminate (HPL) with a thickness of 12 mm (fig.1), complying with EN 438 and ISO 4568 standards, with a round shape measuring \varnothing 790 mm.

STRUCTURE: In the fixed version, there is a cruise connection between the top and the tube made of die-cast aluminum, finished with powder-coated epoxy colors in black, and a high-strength steel tube with a diameter of \varnothing 50 mm and thickness of 1.5 mm, with a height of 1020 mm, finished in chrome (CR) or coated with epoxy powders in black (NE), white (BI), gray (GG), aqua green (VD), powder pink (MT), or ivory (SB).

BASE: **INQUADRO** square steel base measuring 450x450 mm, with a thickness of 10 mm, covered in polished stainless steel, with a thickness of 1 mm, or coated with epoxy powders in black (NE), white (BI), gray (GG), aqua green (VD), powder pink (MT), or ivory (SB).

USAGE INSTRUCTIONS

Use the table as intended; in case of inappropriate use (e.g., as a ladder, sitting on it, or with extreme unilateral loads), there is a risk of accidents.

MAINTENANCE AND CLEANING

Metal Parts: For cleaning, use specific products for metal polishing to slow down natural oxidation due to contact.

Coating and Padding: Any stains on the coating fabric can be removed either with gentle neutral detergents or with specific products indicated by the manufacturer as sanitizing and water-repellent, for better preservation of the coating's good condition. **Padding:** If there are structural issues with the padding requiring maintenance, it should be handled exclusively by specialized personnel.

ASSISTANCE

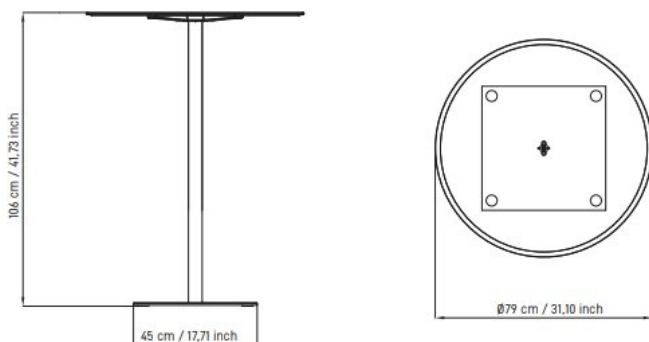

Assistance operations must be carried out exclusively by specially trained personnel, and requests must be forwarded directly to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or defects in materials not attributable to improper use of the product. Excluded from the warranty are excessive or improper use of the product, natural wear and tear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the manufacturing processes applied to the materials and not their intrinsic qualities

PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment, but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production without prior notice.
