### USAGE INSTRUCTIONS

Use the entire seating surface. The surface of the anatomical seat must be fully occupied. Only then is proper contact with the backrest guaranteed, ensuring adequate support.

### MAINTENANCE AND CLEANING

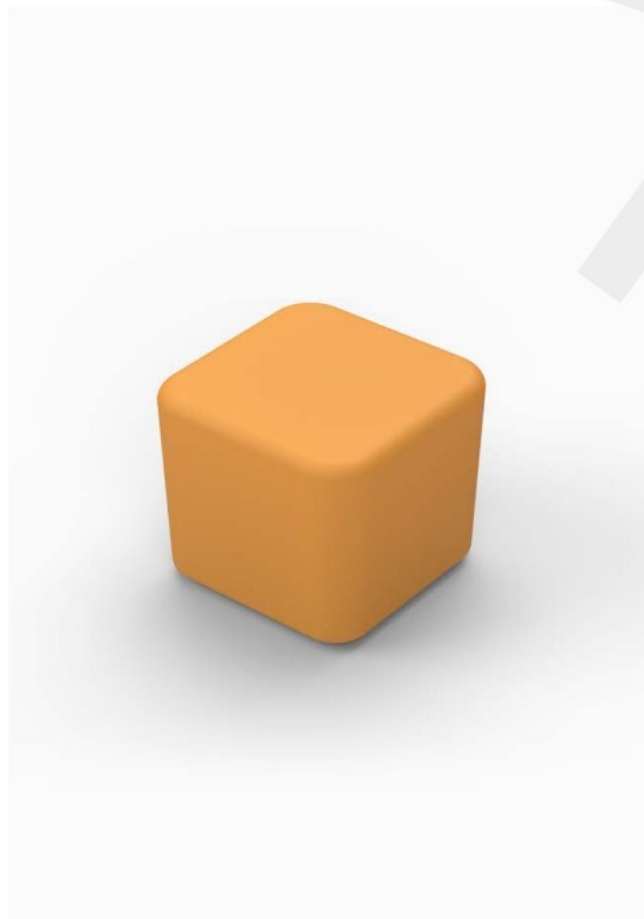

**Metal Parts:** For cleaning, use specific products for metal polishing to slow down natural oxidation due to contact.

**Upholstery and Padding:** Any stains on the upholstery fabric can be removed with gentle neutral detergents or with specific products recommended by the manufacturer as sanitizers and water repellents, for better preservation of the upholstery.

The padding, if it presents structural issues requiring maintenance, must be handled exclusively by specialized personnel.

### SERVICE

Service operations must be carried out exclusively by specially trained personnel, and requests must be sent directly to LUXY as the manufacturer. Maintenance and component replacements performed by unauthorized personnel will void the warranty.

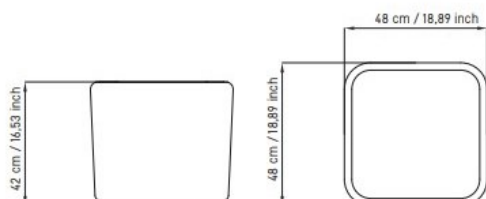

### WARRANTY

Our products are guaranteed for 5 (five) years and cover manufacturing defects or materials not attributable to improper use of the product. Excluded from the warranty are excessive or improper use of the product, natural wear of materials (fabrics), defects caused by interventions carried out outside the manufacturer's premises, defects due to humid environments or atmospheres with the presence of salt or acids. Our warranties reflect the processes carried out on the production materials and not their intrinsic qualities

### PRODUCT INFORMATION

The materials used are recyclable. At the end of its use, do not dispose of the product in the environment, but dispose of it according to the type of material. The company reserves the right to make changes to this catalog and production without prior notice.
