DESCRIPTION

Tub chair, foldable, without armrests cover, antipanic writing table, with Ø 36 mm black wheels.

SEAT: padded in flexible fire-retardant polyurethane cold-moulded foam with high resistance steel insert, density 50 kg/m³.

STRUCTURE: padded in flexible fire-retardant polyurethane cold-moulded foam with high resistance steel insert, density 50 kg/m³; hinges polished die-cast aluminium.

CASTORS: self bracking rubber castors.

MAINTENANCE

CHROME PLATED PARTS: Clean with a soft cloth with some neutral detergent to polish the steel.

PAINTED PARTS: Clean with soft cloth dampened slightly with water and dry with a dry cloth.

PLASTIC PARTS: Use soft cloth dampened slightly with water, without insistence, then dry with a dry cloth.

ALUMINIUM PARTS: To clean use only specific products to polish metal parts in order to reduce the natural oxidation due to the hands contact. The aluminum parts tarnish naturally. LUXY recommends not using chemical detergents.

FABRIC: Fabric: pour some drops of neutral detergent on a damp and wringed out cloth, rub gently on the seat and leave it dry. See maintenance instructions on LUXY upholstery book. Luxy recommends using ecological products.

LEATHER: Leather is a natural product. Imperfections give to the material its unmistakable aspect. In presence of marks, they have to be removed with a soft wool cloth. In case of ingrained stains, use only products for leather coloured with aniline. Do not expose leather to direct sunlight. Luxy recommends using ecological products.
